Professional Summary

Aspiring Computer Science and Engineering student with a specialization in Cybersecurity, passionate about building secure and user-centric software solutions. Seeking opportunities to apply academic knowledge and technical skills in real-world software development environments. Experienced in programming languages like Python and Java, with hands-on exposure to cybersecurity tools and techniques. Dedicated to continuous learning and innovation to create reliable, efficient, and secure applications that meet modern digital challenges.

Education

B.E. in Computer Science Engineering in Specialization with Cybersecurity, Arunai Engineering College, Tiruvannamalai *May 2026*

CGPA: 8.48 / 10 (Till 6th Semester)

HSC, Govt. Higher Secondary School, Mangalam *2020 – 2022*
Percentage: 81.17%

SSLC, Govt. Higher Secondary School, Mangalam *2018 – 2020*
Percentage: 84.2%

Technical Skills

- **Languages:** Python, Java, C, Bash
- **Tools:** Wireshark, Nmap, Metasploit, Hydra, John the Ripper, Git, Burp Suite, VS Code
- **Platforms:** Linux (Kali), Windows

Projects

Spam Email Detector

Python, Scikit-learn, NLP

- Built a classifier to detect spam emails using TF-IDF and Naive Bayes.
- Achieved high accuracy on real-world datasets with minimal preprocessing.

Movie Recommendation System

Python, Pandas, Scikit-learn

- Designed a content-based recommendation engine using cosine similarity.
- Generated personalized suggestions based on user preferences.

Internships

Digital Forensics Intern – Alibi Technologies

1 Month

- Investigated disk and mobile data using Autopsy, Volatility, Magnet AXIOM, and Cellebrite.
- Extracted and analyzed forensic artifacts for case evaluation.

Cybersecurity Intern – Codec Technologies

1 Month

- Learned core cybersecurity concepts including threat modeling and risk analysis.
- Conducted penetration testing and traffic analysis using Wireshark and Nmap.

Certifications

- Google Cybersecurity Professional Certificate
- Google Data Analytics Professional Certificate
- Google Advanced Data Analytics Certificate
- Python Essentials 1 & 2 – Cisco Networking Academy
